

Affording a Transformative Education at SAINT MARY STAR OF THE SEA SCHOOL 2022-2023 Tuition and Fees

This year, the actual cost to educate each child at St. Mary's was \$9,200. In order to stay committed to assist as many families as possible to receive an education at St. Mary's we provide the following:

- An 11% discount to every student through the generosity of benefactors and friends of St. Mary's who value the presence of our school and the importance of giving a Catholic education to students. Parent volunteer hours and school fundraisers play an integral role in allowing us to make our tuition affordable.
- A 26% discount is offered to practicing Catholic families who are registered at Diocesan parishes.
- A 21-49% discount per child with families with multiple children in the school
- Affordable child care option for before and after school hours.
- Additional financial assistance for families who apply and qualify through FACTS/ SIS.

A \$100 Application Fee for all new students should be submitted online through FACTS. All families apply and pay through FACTS management.
